

## BPAC CARE TO SHARE Covid-19 Art Collection Program

Covid-19 has changed everything. Has the pandemic allowed more time for you to explore your creativity or inspired you to reflect on these changes? Have you created anything you'd like to share with the Basalt and Roaring Fork Valley community? To reflect? To inspire? To heal?

As an organization dedicated to strengthening, unifying, and celebrating community through the arts, the Basalt Public Arts Commission would love to see and share what you've made during Covid times. We are collecting submissions to be shared on our Facebook page as they are received. Depending on the art we collect, BPAC may create a public display of the **Covid-19 Art Collection** in the future.

We are seeking submissions from artists throughout the Roaring Fork Valley, professional and amateur, of any age or discipline. Art must be family-friendly and will be reviewed by Town of Basalt staff and/or BPAC members for appropriateness. If you would like to showcase your art, please fill out the information below and email us with any kind of digital file.

If you are a Town of Basalt artist who has suffered lost income from the pandemic, you can find information on Basalt's **Covid-19 Artist Relief Program** here.  
<https://www.basaltpublicartscommission.com/care-to-share>

(Check here if you've already provided the information below as part of the **Covid-19 Artist Relief Fund**)

First Name

---

Last Name
